BIBLICAL INSTRUCTION.—From and after the beginning of the next year, it is the purpose of the Faculty to hold recitations in all the classes, on Monday morning, in the Hebrew and Greek Scriptures. It is in contemplation to introduce an extended course of Biblical instruction, as soon as the means of the College will permit.

LECTURES are delivered to the Senior and Junior classes, on Chemistry, Mineralogy, Botany, and Natural Philosophy. There are stated and frequent exercises in Composition and Declamation, in all the classes, and in Forensic Disputation in the Senior and Junior classes.

2. Of the senior class, four weeks previous to Commencement.
3. Of the three other classes, the week previous to Commencement.

Admission.

Candidates for admission to college, are examined on the day preceding Commencement. Applicants from a distance, however, may be examined at the close of the ensuing Vacation, or at any time during Term. No one is admissible to the Freshman class, until he has completed his fourteenth year; nor to an advanced standing, without a corresponding increase of age. Instructors are respectfully informed, that the candidates they may present for the Freshman class, will be examined on the whole of the preparatory studies, or their full equivalents; and that the Faculty contemplate raising the standard of qualifications for admission in future, of which seasonable notice will be given in the catalogues of the college from year to year.

ABSTRACT OF LAWS.—The members of this Institution are expected to manifest, in speech and action, all proper respect and obedience to the government of the College, a gentlemanly deportment towards each other, and in all their conduct, a practical compliance with the dictates of morality and the law of the land.

In addition to these general rules, the following things are to be regarded as particularly prohibited :

1. Absence from any prescribed collegiate exercise.
2. Absence from rooms during the hours allotted to study, and after 10 o'clock at night.
3. Unnecessary noise or disturbance at any hour.
4. The keeping or using of fire arms or gun powder during term.
5. The use of ardent spirits or wine.
6. Playing at cards or other unlawful games.

7. Injury to the college buildings, fences, &c.
8. Absence from the town of Kirkland during term.
9. Contracting debts without permission.
10. Improper deportment towards citizens, and injuries to their property.

The penalties consequent on non-compliance with the laws and regulations of College, are a series of *warnings*, five in number, preparatory to the separation of the offender from College, if he continue unreclaimed.

For offences requiring more than a single warning, the offender may be placed on any part of the scale, or dismissed at once, if the nature of the offence require it.

Special cases excepted, each warning is accompanied with a letter to the parent or guardian.

Unexceptionable deportment and regularity for one term, shall remove one warning from the record.

ABSENCE FROM COLLEGE—The portion of the year allotted to vacations is so great, as to render it quite unnecessary for the students to visit their friends during term, except for urgent and unforeseen reasons. The occasional loss of a day cannot fail to have an unfavorable bearing on the intellectual habits and standing of the student. It is to be hoped that parents and guardians will concur with the Faculty in their opinion of the inexpediency of granting leave of absence in ordinary cases.
